SPECIAL PROGRAMS

THE ROBERTSON DIFFERENCE

At Robertson Public School, we offer unique educational programs that aim to expose our students to a wide range of extra curricular experiences.

BAND

Our school boasts a highly valued Band that utilises our purpose built Music Room. Rehearsals take place each Monday afternoon from 3:15pm - 4:00pm under the direction of the Assistant Principal and Music Tutor Mrs Kirrily Horton.

The band performs at each Whole School Assembly and is regularly invited to perform at various local events.

EXTRAVAGANZA

Our school showcases our love of the performing arts at the end of Term 3 each year. Held in the Robertson School of Arts Hall, all students work in class groups to prepare an item based around an annual theme.

Families and the community are invited to attend a matinee and/or evening performance. Tickets are available for each concert for a small admission fee.

GARDENING CLUB

This community minded program encourages everyone involved to learn how to live sustainably and grow their own food.

The Gardening Club is available to students, teachers, parents and community members who all share a love of gardening in our purpose built vegetable gardens. Activities include raising seeds, plant care, harvesting, soil management, composting methods and weeding.

BREAKFAST CLUB

We want to encourage every child to arrive at school prepared and ready to learn. A nutritious breakfast every morning helps meet this goal.

Our Breakfast Club operates every school morning from 7:45am - 8:30am in the Breakfast Room. Students are given cereal, toast, juice or Milo for a fee of \$5 and do not have to book in advance.

Interested parents should see the school office for consent forms and further information.
